Working together for student attendance and to maximise learning

Dear parents and carers,

It's always wonderful to have our students in classrooms, ready to engage and learn. Our teachers and school staff are committed to fostering growth and opportunity, and we are here to work with you to support your child to reach their full potential.

Consistently going to school has countless benefits – from learning, to creating social connections and improving wellbeing through access to support and quality education.

Students are required to attend school every day, whether it's the first or last day of the term, Mondays, Fridays or days dedicated to sports carnivals, school excursions and incursions.

As we look ahead to the remainder of the school year, I'd like to remind our school community that we are here to work with you to support your child to thrive. We know that families experience a variety of challenging circumstances, and we are committed to working with you to address any barriers to regular attendance.

If your child is absent from school, please let us know why as soon as possible, even if it's just a few minutes at the start or end of the school day. Of course, there will be times when your child is unable to be at school, like when they are unwell. Medical appointments should take place outside school hours where possible, and family holidays should be taken in term breaks.

If your child is feeling anxious about coming to school and you need support, please reach out to your child's teacher or to me directly. There are also helpful resources for parents and carers on the [NSW Department of Education website](#).

Thank you for being a part of our school community and for partnering with us to ensure students access the endless benefits of regular school attendance.

Kind regards
Judy Boland
Principal
