Non-Local Primary School Placement Information for Parents

Please read carefully before completing the form

Parents may apply for the non-local enrolment of their child in up to two (2) schools of their choice in addition to their designated local school. A separate application form is required for each school.

Priority for enrolment will be given to students entering Kindergarten at the start of the year. Places may also be available in Years 1 - 6.

Reasons for choosing non-local placements may include:

- Change of residence
- Plans to build within the school's local area
- Siblings already enrolled at the school
- Medical reasons
- Safety and supervision of the student before and after school
- Student welfare needs
- Compassionate circumstances
- Structure and organisation of the school

The number of students a school may enrol is limited by the availability of classroom space and teaching staff. This means that we may not have room left for non-local enrolments after accommodating local children. To avoid disappointment, parents should check that there are places available in a school before applying.

Additional information can be found in the Woodport Public School Enrolment Procedures, which are available on the school's website.
