

Woodport Public School

Player's Code of Conduct for Primary School Sport

Participation in PSSA (Primary School Sport Association) and other representative sports is a privilege. When we allow students to attend, we do so with the firm belief that they will represent us in an exemplary manner. We extend to them a high degree of trust that when representing, they will *reflect* the high standards we expect at Woodport Public School.

These standards include:

- Play for enjoyment. Everyone is there to have fun.
- Follow all teacher/adult instructions.
- Show respect, *good* sportsmanship, encourage others and play fairly.
- Cooperate with coach, team and opponents.
- Behave responsibly and safely in all situations.
- The official's decision is final and must be respected.
- Bad language, sledging, inappropriate gestures and bullying are NOT acceptable.
- Any player whose behaviour is not acceptable will be removed from the field of play.

I, have carefully read the Player's Code of Conduct with my parents/carers and understand it.

I am aware that not following the Player's Code of Conduct will result in consequences, such as removal from the team.

I agree to abide by the Player's Code of Conduct at all times when representing Woodport Public School.
